Correction to: Cropping practices manipulate abundance patterns of root and soil microbiome members paving the way to smart farming

Kyle Hartman\textsuperscript{1,2}, Marcel G. A. van der Heijden\textsuperscript{1,2,4}, Raphaël A. Wittwer\textsuperscript{1}, Samiran Banerjee\textsuperscript{1}, Jean-Claude Walser\textsuperscript{3} and Klaus Schlaeppi\textsuperscript{1}\textsuperscript{*}

Correction
Following publication of the original article \cite{1}, the authors reported that while the ordination graphs are all correct, the symbols in the legend are wrong. During revisions the authors moved the legend from the bottom to the right side of the graphs, and thereby a mistake with symbol assignment occurred. The corrected Figure is given below:
